

GREEN HILL

grass-based cow's milk cheese

Our most popular cheese. A pasteurized, soft-ripened, double-cream cow's milk cheese handcrafted in a camembert style. Green Hill is an eight-time winner at the American Cheese Society Annual Conference.

Drizzle a little honey over a slightly warm wheel and serve with crunchy French bread or arrange on a cheese board with jams, nuts, and crisp apples. This cheese pairs perfectly with a white or sparkling wine or a crisp apple cider.
